The diagram consists of two rectangular boxes. The top box is white with a thin grey border and contains the text 'boost::statechart::event< EvWaypoint214 < TSource, TObjectTag > >'. It is divided into three horizontal sections by two thin grey lines. The bottom box is grey with a thick black border and contains the text 'cl_move_base_z::EvWaypoint214 < TSource, TObjectTag >' followed by '+ waypointIndex' on the next line. It is also divided into three horizontal sections by two thin black lines. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating an inheritance relationship.
