

```
cl_move_base_z::backward  
_local_planner::BackwardLocalPlanner  
::defaultBackwardCmd
```

A diagram showing a call to the `defaultBackwardCmd` method of the `BackwardLocalPlanner` class. A blue arrow points from the `defaultBackwardCmd` text in the left box to the `checkGoalReached` text in the right box, indicating a call or transition.

```
cl_move_base_z::backward  
_local_planner::BackwardLocalPlanner  
::checkGoalReached
```
