

simple_grasping::ObjectSupport
Segmentation::segment

```
graph LR; A[simple_grasping::ObjectSupport Segmentation::segment] --> B[simple_grasping::distance PointToPlane];
```

The diagram consists of two rectangular boxes connected by a dark blue arrow pointing from left to right. The left box is white with a black border and contains the text 'simple_grasping::ObjectSupport' on the top line and 'Segmentation::segment' on the bottom line. The right box is light gray with a black border and contains the text 'simple_grasping::distance' on the top line and 'PointToPlane' on the bottom line.
