The diagram shows two class boxes. The top box is white and contains the text 'boost::statechart::event< EvWaypoint158 < TSource, TObjecTag > >'. It has two empty rectangular compartments below the text. The bottom box is gray and contains the text 'cl_move_base_z::EvWaypoint158 < TSource, TObjecTag >' in its top compartment, '+ waypointIndex' in its middle compartment, and an empty compartment at the bottom. A blue arrow with an open triangle head points from the top of the bottom box to the bottom of the top box, indicating inheritance.
