

ABORT

The diagram consists of two main rectangular components. The upper component is a stack frame divided into three horizontal sections. The top section contains the text 'ABORT', while the two sections below it are empty. The lower component is a larger rectangle divided into three horizontal sections. The top section contains the assembly code 'sm_respira_1::pc_cycle _inner_states::StiPCCycleExpire ::PREVIOUS'. The two sections below it are shaded gray. A blue arrow points upwards from the top edge of the lower rectangle to the bottom edge of the 'ABORT' section of the upper rectangle.

sm_respira_1::pc_cycle
_inner_states::StiPCCycleExpire
::PREVIOUS
