```

The diagram illustrates a call graph with three nodes. The node 'fetch\_arm::IKFastKinematicsPlugin::getSolution' is a white rectangle with a black border. The node 'main' is a smaller white rectangle with a black border. The node 'ikfast::IkSolutionList::GetSolution' is a gray rectangle with a black border. Two blue arrows point from the first two nodes to the third node, indicating that both functions call 'ikfast::IkSolutionList::GetSolution'.
