

franka_hw::FrankaHW
::controlCallback

```
graph LR; A[franka_hw::FrankaHW::controlCallback] --> B[franka::MotionFinished]
```

A diagram showing a call from the `franka_hw::FrankaHW::controlCallback` function to the `franka::MotionFinished` event. The call is represented by a blue arrow pointing from the left box to the right box.

franka::MotionFinished
