

```
boost::statechart::  
event< MoveGroupMotionExecution  
    Failed< TSource, TObjectTag > >
```

The diagram illustrates an inheritance relationship. A blue arrow points from the bottom box to the top box, indicating that the bottom class inherits from the top class. The top box is white with a black border, and the bottom box is gray with a black border. Both boxes are divided into three horizontal sections. The top section of each box contains the class name and its template parameters. The middle and bottom sections are empty.

```
cl_move_group_interface  
::MoveGroupMotionExecutionFailed  
    < TSource, TObjectTag >
```
