

simple_grasping::extract
Shape

```
graph LR; A[simple_grasping::extract Shape] --> B[smacc::run]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'simple_grasping::extract' on the top line and 'Shape' on the bottom line. The right box is gray with a black border and contains the text 'smacc::run'. A dark blue arrow points from the right side of the left box to the left side of the right box.

smacc::run
