

smacc::StateReactor
::notifyEvent

```
graph LR; A[smacc::StateReactor::notifyEvent] --> B[update]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'smacc::StateReactor' on the top line and '::notifyEvent' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'update'.
