

```
cl_move_base_z::forward  
_global_planner::ForwardGlobal  
Planner::makePlan
```

A diagram showing a call to the `makePlan` method of the `ForwardGlobalPlanner` class. The call is made from the `cl_move_base_z::forward` method. The call is represented by a blue arrow pointing from the right box to the left box.

```
cl_move_base_z::forward  
_global_planner::ForwardGlobal  
Planner::makePlan
```
