

SUCCESS

```
stateDiagram-v2
    state sm_ferrari {
        state StState3
        state SUCCESS
        StState3 --> SUCCESS
    }
```

The diagram illustrates a state transition in a state machine. It consists of two states represented as rectangular boxes. The top state, labeled 'SUCCESS', is a white box with a black border, divided into three horizontal sections. The bottom section is empty, and a blue arrow points to it from the top state. The bottom state, labeled 'sm_ferrari::StState3', is a gray box with a black border, also divided into three horizontal sections. The top section contains the text 'sm_ferrari::StState3' and '::NEXT'. A blue arrow points from the top section of the bottom state to the bottom section of the top state.

sm_ferrari::StState3
::NEXT
