The diagram consists of three rectangular boxes connected by blue arrows pointing from left to right. The first box on the left has a light gray background and contains the text: 'move_base_z_client', '::backward_local_planner', '::BackwardLocalPlanner', and '::initialize'. The second box in the middle has a white background and contains the text: 'move_base_z_client', '::backward_local_planner', '::BackwardLocalPlanner', and '::initialize'. The third box on the right also has a white background and contains the text: 'move_base_z_client', '::backward_local_planner', '::BackwardLocalPlanner', and '::reconfigCB'. A blue arrow points from the right side of the first box to the left side of the second box, and another blue arrow points from the right side of the second box to the left side of the third box.
