

```
sm_fetch_screw_loop  
_1::cl_move_group_interface  
::CpConstraintLateralWorkspace  
::createVirtualCollisionWalls
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and a black border, containing four lines of text. The right box has a white background and a black border, containing four lines of text. The text in both boxes is identical except for the last line, which is '::createVirtualCollisionWalls' on the left and '::createCollisionBox' on the right.

```
sm_fetch_screw_loop  
_1::cl_move_group_interface  
::CpConstraintLateralWorkspace  
::createCollisionBox
```
