

```
boost::statechart::  
event< EvCountdownEnd  
< TSource, EmptyObjectTag > >
```

The diagram shows two class boxes. The top box is white and contains the text 'boost::statechart::event< EvCountdownEnd < TSource, EmptyObjectTag > >'. The bottom box is gray and contains the text 'smacc::state\_reactors::EvCountdownEnd< TSource, TObjectTag >'. A blue arrow with an open triangle head points from the bottom box to the top box, indicating inheritance.

```
smacc::state_reactors  
::EvCountdownEnd< TSource,  
TObjectTag >
```
