

testing::internal::
GTEST_DEFINE_string_

testing::GetDefaultFilter

```
graph LR; A[testing::GetDefaultFilter] --> B[testing::internal::GTEST_DEFINE_string_];
```

The diagram illustrates a function call. A blue arrow points from the box on the right to the box on the left, indicating that the function `testing::GetDefaultFilter` calls `testing::internal::GTEST_DEFINE_string_`.
