

```
move_base_z_client  
::backward_global_planner  
::BackwardGlobalPlanner  
::onForwardTrailMsg
```

A diagram showing a call from the `initialize` method of `move_base_z_client::BackwardGlobalPlanner` to the `onForwardTrailMsg` method of the same class. A blue arrow points from the `initialize` line in the right box to the `onForwardTrailMsg` line in the left box.

```
move_base_z_client  
::backward_global_planner  
::BackwardGlobalPlanner  
::initialize
```
