

```
cl_move_base_z::odom  
_tracker::OdomTracker  
::updateClearPath
```

A diagram showing a call from the `updateClearPath` method of the `OdomTracker` class to the `p2pDistance` method of the same class. A blue arrow points from the left box to the right box.

```
cl_move_base_z::odom  
_tracker::p2pDistance
```
