

cl_ros_timer::CbTimer
::configureEventSourceTypes

```
graph LR; A["cl_ros_timer::CbTimer  
::configureEventSourceTypes"] --> B["cl_ros_timer::CbTimer  
::onClientTimerTickCallback"]
```

A diagram showing a call from the function `configureEventSourceTypes` to the callback `onClientTimerTickCallback`. The call is represented by a blue arrow pointing from the left box to the right box.

cl_ros_timer::CbTimer
::onClientTimerTickCallback
