The diagram illustrates a state transition in a state machine. It consists of two states: 'sm_ferrari::StState3' and 'SUCCESS'. The 'sm_ferrari::StState3' state is represented by a gray-shaded box with three horizontal compartments. The top compartment contains the text 'sm_ferrari::StState3' and '::NEXT'. The 'SUCCESS' state is represented by a white box with three horizontal compartments, with the top compartment containing the text 'SUCCESS'. A blue arrow points from the top compartment of the 'sm_ferrari::StState3' box to the bottom compartment of the 'SUCCESS' box, indicating a transition between the two states.
