

testing::NiceMock::
~NiceMock

```
graph LR; A[testing::NiceMock::~~NiceMock] --> B[testing::NiceMock::GTEST_DISALLOW_COPY_AND_ASSIGN];
```

A diagram showing a transition from a destructor to a GTest macro. On the left, a gray box contains the text 'testing::NiceMock::~~NiceMock'. A blue arrow points from this box to a white box on the right. The white box contains the text 'testing::NiceMock::GTEST_DISALLOW_COPY_AND_ASSIGN'.
