The diagram illustrates an inheritance relationship. At the top is a white rectangular box representing the base class 'boost::statechart::event< EvGlobalError >'. It is divided into three horizontal sections, with the first section containing the class name. Below it is a blue arrow pointing upwards, indicating inheritance. At the bottom is a gray rectangular box representing the derived class 'sm\_dance\_bot\_2::EvGlobalError'. It is also divided into three horizontal sections, with the first section containing the class name.
