

```
cl_move_group_interface  
::CpTrajectoryHistory  
  ::getLastTrajectory
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing three lines of C++ code. The right box has a white fill and a black border, containing the same three lines of C++ code. The blue arrow originates from the right side of the left box and points to the left side of the right box.

```
cl_move_group_interface  
::CpTrajectoryHistory  
  ::getLastTrajectory
```
