UntypedFunctionMockerBase
::MockObject

```
graph LR; A[testing::internal::UntypedFunctionMockerBase::MockObject] --> B[testing::internal::Assert]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'testing::internal::UntypedFunctionMockerBase::MockObject' in black. The right box has a white background and a black border, containing the text 'testing::internal::Assert' in black.
