

smacc::standardOnExit

```
graph LR; A[smacc::standardOnExit] --> B[smacc::standardOnExit]
```

The diagram consists of two rectangular boxes, one on the left and one on the right, both containing the text 'smacc::standardOnExit'. A blue arrow points from the right side of the left box to the left side of the right box. The left box has a light gray fill and a black border, while the right box is white with a black border.
