

```
graph LR; A["sm_pr2_plugs::StClearLeft  
Arm::runtimeConfigure"] --> B["sm_pr2_plugs::StClearLeft  
Arm::onSingleBehaviorTickCallback"]
```

Diagram illustrating a call relationship between two code blocks. The block on the right (white background) contains the code `sm_pr2_plugs::StClearLeft` and `Arm::runtimeConfigure`. A blue arrow points from this block to the block on the left (gray background), which contains the code `sm_pr2_plugs::StClearLeft` and `Arm::onSingleBehaviorTickCallback`.

sm_pr2_plugs::StClearLeft
Arm::onSingleBehaviorTickCallback
