

```
graph LR; A["sm_pr2_plugs::StClearLeft  
Arm::runtimeConfigure"] --> B["sm_pr2_plugs::StClearLeft  
Arm::onTimerClientTickCallback"]
```

Diagram illustrating a call relationship between two function blocks. The block on the right (white background) contains the text "sm_pr2_plugs::StClearLeft" and "Arm::runtimeConfigure". A blue arrow points from this block to the block on the left (gray background), which contains the text "sm_pr2_plugs::StClearLeft" and "Arm::onTimerClientTickCallback".

sm_pr2_plugs::StClearLeft
Arm::onTimerClientTickCallback

sm_pr2_plugs::StClearLeft
Arm::runtimeConfigure
