

mecanum_drive_controller
::MecanumDriveController
::getWheelRadius

```
graph LR; A["mecanum_drive_controller  
::MecanumDriveController  
::getWheelRadius"] --> B["isCylinderOrSphere"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box has a light gray background and a black border, containing the text 'mecanum_drive_controller', '::MecanumDriveController', and '::getWheelRadius' on three lines. The right box has a white background and a black border, containing the text 'isCylinderOrSphere' on a single line. A blue arrow points from the right side of the left box to the left side of the right box.

isCylinderOrSphere
