

testing::internal::
TestCasePassed

```
graph LR; A["testing::internal::  
UnitTestImpl::successful  
_test_case_count"] --> B["testing::internal::  
TestCasePassed"]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'testing::internal::' followed by 'TestCasePassed' on the next line. The box on the right is white with a black border and contains the text 'testing::internal::' followed by 'UnitTestImpl::successful' on the next line, and '_test_case_count' on the third line. A blue arrow points from the right box to the left box, indicating a function call.
