The diagram illustrates an inheritance relationship. At the top is a base class box with a light gray background and a thin gray border. It contains the text 'boost::statechart::event< EvWaypoint236< TSource, TOrthogonal > >' in its top section, with two empty sections below. At the bottom is a derived class box with a dark gray background and a thick black border. It contains 'cl\_move\_base\_z::EvWaypoint236< TSource, TOrthogonal >' in its top section, '+ waypointIndex' in its middle section, and an empty section at the bottom. A blue arrow points from the top of the derived class box to the bottom of the base class box.
