

testing::internal::  
TestCaseFailed

```
graph LR; A["testing::internal::  
UnitTestImpl::failed  
_test_case_count"] --> B["testing::internal::  
TestCaseFailed"]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'testing::internal::' followed by 'TestCaseFailed' on the next line. The box on the right is white with a black border and contains the text 'testing::internal::' followed by 'UnitTestImpl::failed' on the next line, and '\_test\_case\_count' on the third line. A blue arrow points from the right side of the white box to the left side of the gray box.
