

```
cl_move_base_z::odom  
_tracker::OdomTracker  
::processOdometryMessage
```

A diagram showing a call from the `cl_move_base_z::OdomTracker` class to the `processOdometryMessage` method. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, indicating the target method, while the right box is white, indicating the caller.

```
cl_move_base_z::odom  
_tracker::OdomTracker  
::OdomTracker
```
