

```
sm_moveit_4::cl_perception  
_system::CpSimulatedGazeboPerception  
::onInitialize
```

A diagram showing a call from the `onInitialize` method to the `simulatedLinkStateCallback` method. A blue arrow points from the left box to the right box.

```
sm_moveit_4::cl_perception  
_system::CpSimulatedGazeboPerception  
::simulatedLinkStateCallback
```
