The diagram illustrates a mapping from two source actions to a single target action. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'gripper\_keyboard.Gripper' followed by 'Keyboard.close' on a new line. The bottom box contains the text 'gripper\_keyboard.Gripper' followed by 'Keyboard.open' on a new line. On the right, there is a single gray rectangular box with a black border containing the text 'gripper\_keyboard.Gripper' followed by 'Keyboard.set\_position' on a new line. Two blue arrows point from the right side of the top white box to the left side of the gray box, and another two blue arrows point from the right side of the bottom white box to the left side of the gray box.
