

```
sm_fetch_screw_loop  
_1::cl_move_group_interface  
::CpConstraintVirtualSideWall  
::createVirtualCollisionWalls
```

A diagram showing a transformation from a state with 'createVirtualCollisionWalls' to a state with 'createCollisionBox'. A blue arrow points from the left box to the right box.

```
sm_fetch_screw_loop  
_1::cl_move_group_interface  
::CpConstraintVirtualSideWall  
::createCollisionBox
```
