

ABORT

The diagram consists of two main components. At the bottom is a large rectangular block divided into three horizontal sections. The top section is light gray and contains the text 'sm_respira_1::ac_cycle', '_inner_states::StiACCycleDwell', and '::PREVIOUS'. The middle and bottom sections are also light gray but empty. A blue arrow points upwards from the top of this block to the bottom of a smaller rectangular block above it. This smaller block is divided into three horizontal sections: the top section is white and contains the text 'ABORT', while the middle and bottom sections are white and empty.
