

```
testing::internal::  
ActionResultHolder<  
void >::PerformDefaultAction
```

A diagram showing a call from the `testing::internal::ActionResultHolder<void>::PerformDefaultAction` method to the `testing::internal::FunctionMockerBase::PerformDefaultAction` method. A blue arrow points from the left box to the right box.

```
testing::internal::  
FunctionMockerBase::  
PerformDefaultAction
```
