

testing::internal::  
FilePath::IsAbsolutePath

```
graph LR; A[testing::internal::FilePath::IsAbsolutePath] --> B[testing::internal::IsPathSeparator]
```

A diagram showing a call from the `testing::internal::FilePath::IsAbsolutePath` function to the `testing::internal::IsPathSeparator` function. The call is represented by a blue arrow pointing from the left box to the right box.

testing::internal::  
IsPathSeparator
