

FailureReporterInterface

```
classDiagram
    class FailureReporterInterface {
    }
    class EmptyRow1 {
    }
    class EmptyRow2 {
    }
```

The diagram shows a UML class representation of the FailureReporterInterface. It consists of a rectangular box divided into three horizontal sections. The top section is shaded light gray and contains the text 'FailureReporterInterface'. The middle and bottom sections are also shaded light gray but are empty, representing additional compartments in the class diagram.
