

```
sm_respira_1::ps_cycle  
_inner_states::StiPSCycleInspire  
::onTimerClientTickCallback
```

A diagram showing a call from the `runtimeConfigure` method to the `onTimerClientTickCallback` method. The `runtimeConfigure` method is in a white box on the right, and the `onTimerClientTickCallback` method is in a gray box on the left. A blue arrow points from the `runtimeConfigure` box to the `onTimerClientTickCallback` box.

```
sm_respira_1::ps_cycle  
_inner_states::StiPSCycleInspire  
::runtimeConfigure
```
