The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'boost::statechart::' followed by 'event< EvGlobalError >' on the next line. It has two horizontal lines below the text, creating three rows. The bottom box is gray with a black border and contains the text 'sm\_ridgeback\_floor' followed by '\_coverage\_dynamic\_1' on the next line, and '::EvGlobalError' on the third line. It also has two horizontal lines below the text, creating three rows. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating an inheritance relationship.
