

```
boost::statechart::  
event< MoveGroupMotionExecution  
Succeeded< TSource, TObjectTag > >
```

The diagram illustrates an inheritance relationship. A blue arrow points from the bottom box to the top box, indicating that the bottom class inherits from the top class. The top box is white with a black border, and the bottom box is gray with a black border. Both boxes are divided into three horizontal sections. The top section of the top box contains the C++ code snippet. The top section of the bottom box contains the C++ code snippet for the derived class. The bottom two sections of both boxes are empty.

```
moveit_z_client::MoveGroup  
MotionExecutionSucceeded  
< TSource, TObjectTag >
```
