

testing::MatcherCast

```
graph LR; A[testing::MatcherCast] --> B[testing::internal::  
MatcherCastImpl::Cast]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'testing::MatcherCast'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains two lines of text: 'testing::internal::' on the top line and 'MatcherCastImpl::Cast' on the bottom line.
