

testing::MakeAction

testing::internal::
WithArgsAction::operator
Action< F >

```
graph LR; A[testing::internal::WithArgsAction::operator Action< F >] --> B[testing::MakeAction]
```

A diagram showing a relationship between two code elements. On the right, a white box with a black border contains the text 'testing::internal::WithArgsAction::operator Action< F >'. On the left, a gray box with a black border contains the text 'testing::MakeAction'. A blue arrow points from the right box to the left box, indicating that the right-hand code is the implementation or definition of the left-hand code.
