

```
smacc::state_reactors  
::EgRandomGenerator::  
    onEntry
```

```
graph LR; A["smacc::state_reactors  
::EgRandomGenerator::  
    onEntry"] --> B["smacc::state_reactors  
::EgRandomGenerator::  
    postRandomEvents"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'smacc::state\_reactors', '::EgRandomGenerator::', and 'onEntry' on three lines. The right box has a white background and a black border, containing the text 'smacc::state\_reactors', '::EgRandomGenerator::', and 'postRandomEvents' on three lines. A blue arrow points from the right side of the left box to the left side of the right box.

```
smacc::state_reactors  
::EgRandomGenerator::  
    postRandomEvents
```
