

```
cl_move_base_z::forward  
_global_planner::ForwardGlobal  
Planner::makePlan
```

A diagram showing a call from a white box on the right to a gray box on the left. A blue arrow points from the white box to the gray box. Both boxes contain the same C++ code snippet.

```
cl_move_base_z::forward  
_global_planner::ForwardGlobal  
Planner::makePlan
```
