

ABORT

The diagram consists of two main components. At the top is a rectangular box divided into three horizontal sections. The top section contains the text 'ABORT'. The middle and bottom sections are empty. Below this box is a blue arrow pointing upwards. The arrow originates from a larger rectangular box at the bottom. This bottom box is also divided into three horizontal sections. The top section contains the text 'sm\_respira\_1::pc\_cycle', '\_inner\_states::StiPCCycleExpire', and '::PREVIOUS' on separate lines. The middle and bottom sections are shaded gray.
