The diagram shows two class-like boxes. The top box is white with a thin grey border and contains the text 'boost::statechart::event< EvWaypoint195 < TSource, TOrthogonal > >'. It is divided into three horizontal sections by thin grey lines. The bottom section is empty. The bottom box is grey with a thick black border and contains the text 'cl_move_base_z::EvWaypoint195 < TSource, TOrthogonal >' in the top section, '+ waypointIndex' in the middle section, and an empty section at the bottom. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating inheritance.
