

```
cl_move_group_interface  
::CpTrajectoryHistory  
  ::getLastTrajectory
```

A diagram showing a transition from a shaded box on the left to an unshaded box on the right. A blue arrow points from the right side of the shaded box to the left side of the unshaded box. Both boxes contain the same C++ code snippet.

```
cl_move_group_interface  
::CpTrajectoryHistory  
  ::getLastTrajectory
```
