```

The diagram consists of three rectangular boxes arranged horizontally, connected by blue arrows pointing from left to right. The first box on the left has a light gray background and contains three lines of C++-style code. The second box in the middle has a white background and contains two lines of C++-style code. The third box on the right also has a white background and contains two lines of C++-style code. All boxes have a thin black border.

```
smacc::ISmaccState  
::requiresClient
```
